## Poster Session

The poster session will be held on Remo (https://help.remo.co/en/support/home). You can use your favorite way (e.g., a pdf or ppt slides) to present a poster with screen sharing. The organizers send the URL before the poster session.

Speaker

1. Login to Remo with your account via the URL provided.
2. Double click the table with your name.
3. Select "Share" button and start your presentation!

(The layout might be different in the actual session)

Participants

1. Login to Remo with your account via the URL provided.
2. Double click the table you want to join. You can also use tables at the sides to chat with other participants.
