

C082-005-001

First of all I apologize that I am not able to attend this ~~International~~ Pugwash Conference in India, because I have not yet fully recovered from the ~~illness~~ recent illness, and as one of the organizers of the Kyoto Pugwash Symposium held in last summer, I asked Professor Tokuda to convey a ~~brief~~ message to the Conference. If we look back the history of Pugwash Conferences, the first Pugwash Conference ~~had~~ ^{was} expected to take place in India under the initiative of late Jawaharlal Nehru (Prime Minister), which could not be realized unfortunately because due to Suez crisis. ~~But~~ ^{In} 1964, when the twelfth Pugwash Conference was held in Vadipur, the main theme was ~~problem~~ disarmament and security with special emphasis ~~on~~ ^{the} interrelation

early in 1957.

between disarmament and economic
development.

Now prior to the present 25th
Conference in India, ~~as~~ a new design
towards complete nuclear disarmament
(we discussed)

the present Conference, I would like
to mention that most of the participants
of the Kyoto Symposium
