INTERNATIONAL CONFERENCE ON THEORETICAL PHYSICS
UNITED NATIONS EDUCATIONAL, SCIENTIFIC AND CULTURAL ORGANISATION

19, Avenue Kleber,
PARIS 16^e

17 December 1952.

N° NS/343960

Dear Dr. Kameyama,

I acknowledge your letter of 6 December 1952 (Ref.: Ch.507), and thank you very much for your kind invitation to attend the International Conference on Theoretical Physics to be held in Tokyo and Kyoto, from 15 to 23 September 1953.

I feel quite honoured by your kind invitation. I regret very much, however, to inform you that it will not be possible for me to attend this Conference on account of my programme of work. Furthermore it is the policy of this Department not to allow any of its members to attend an international symposium unless his professional training happens to be in that field.

Thanking you again for your kind invitation and with best wishes for the success of the Conference, I am,

Yours sincerely

/s/

WANG GING-HSI
Head of the Division
of the Development of International
Scientific Co-operation,
Department of Natural Sciences.

Dr. Naoto Kameyama,
President,
Science Council of Japan,
Ueno Park, Tokyo, Japan.

Dear Dr. Wang:

Thank you very much for your letter of 17 December.
We are sorry to learn that you will not be in a position
to visit us on the occasion of our coming conference on
theoretical physics. I do hope that some time in the
future you will have a chance to travel to Japan and
meet some of the Japanese scientists.

Very cordially yours,

Naoto KAMEYAMA
President
Science Council of Japan.
