Dear Doctor Fujioka,

Through the International Union of pure and applied Physics, I got the notice that you can give informations concerning the Colloquium on Theoretical Physics which will be held between the 15th and the 23rd of september 1953 in Tokio and Kioto under the Chairmanship of Professor Yukawa.

As professor of theoretical physics and as the president of the Swiss Physical Society, I should be very glad to have all informations that might be important concerning the Colloquium and beg you to send me such.

Thanking in advance, I remain, Dear Dr. Fujioka

Faithfully yours,

/s/

(Prof. Dr. André Mercier)
