DR. NAOTO KAMEYAMA
International Conference
on Theoretical Physics
Kyoto and Tokyo,
Japan

Dear Dr. Kameyama:

Thank you very much for the invitation to attend the International Conference in Kyoto and Tokyo next September. I expect to be present, if I find it possible to arrange my transportation; the U.S. Navy have encouraged me to believe that they will send me to Japan.

The tentative program looks interesting, and I am very happy to be included in it.

Sincerely yours,

/s/

R.M. BOZORTH
