Dear Mr. Kotani:

We have received your letter of October 11., and
the enclosed programme of the International Conference
on Theoretical Physics.

We should be very pleased by sending some partici-
pants, but because of the great distance we are not
sure of being able to attend the Conference. We shall
be very grateful if you are so kind as to let us know
further circulars and communications, as well as any
publications you may publish referring to the Conference.

Thanking you in advance, I remain,

Truly yours,
