Dear Professor Hahn:

Thank you very much for your letter regarding the manuscript to be published on the occasion of Lindau Meeting.

I agree wholeheartedly to the new draft which you have sent me.

I am very sorry that I shall not be able to attend the Lindau Meeting, because I have been ill since the beginning of June and cannot travel so far as to Europe for the time being.

Please give my best regards to Prof. Madhava and other Nobel laureates whom I will come to know you will come together will gather in Lindau. Hoping a great success of the meeting and

yours very sincerely
