Dear Dr. Yukawa,

We are enclosing a copy of our NIRVANA.

We're pretty proud of it; and every nice compliment has been received gratefully. We know, though, that the NIRVANA could never have been as informative, interesting, and plain good reading had it not been for the cooperation and kindnesses of friends like you.

We appreciated it so very much, Doctor. If there should be anything that we could for you, or anything that I as an individual could do, please, you'll call?

Thank you again.

With Gassho,

Mitsu Yasuda
