

THE UNIVERSITY OF EDINBURGH
NATURAL PHILOSOPHY DEPARTMENT
DRUMMOND STREET

29 Nov 39

Dear Dr. Yukawa,

I should be very grateful, if you could
send me some (3 or 4) reprints of your paper
"On the Interaction of Elementary Particles I",
(Proc. Phys.-Math. Soc. of Japan, Vol. 17, p. 48).
There are many people deeply interested in your work.
Yours sincerely M. Pezon.
