231st MEETING—BERKELEY, CALIFORNIA—DEC. 22 and 23, 1939

The 231st meeting of the American Physical Society will be held in Berkeley, California on Friday and Saturday, December 22 and 23, 1939 at the University of California.

Members intending to present papers at this meeting must have the *original and two carbon copies* of the typewritten titles and abstracts (**not exceeding 200 words**) ready for publication in the hands of the *Local Secretary not later than Thursday, November 23, 1939.*

Members submitting papers which are to be read by title should so inform the Local Secretary. Failure to do this has resulted in considerable inconvenience to those attending the meeting.

PAUL KIRKPATRICK

Local Secretary for the Pacific Coast
Stanford University, California.

232nd MEETING—COLUMBUS, OHIO—DEC. 28, 29 and 30, 1939

In affiliation with

Section B—PHYSICS—of

The American Association for the Advancement of Science

The 41st Annual Meeting (the 232nd regular meeting) of the American Physical Society will be held in Columbus, Ohio on Thursday, Friday and Saturday, December 28, 29 and 30, 1939 in affiliation with Section B—Physics—of the American Association for the Advancement of Science.

Members intending to present papers at this meeting must have the *original and two carbon copies* of the typewritten titles and abstracts (**not exceeding 200 words**) ready for publication in the hands of the Secretary **not later than Friday, November 24, 1939.**

Members submitting papers which are to be read by title should so inform the Secretary. Failure to do this has resulted in considerable inconvenience to those attending the meeting.

The preliminary arrangements for the Columbus program include a joint session on Friday afternoon, December 29th, with Section B of the American Association for the Advancement of Science and the American Association

of Physics Teachers, at which time addresses will be delivered by the Retiring Vice-President of Section B, Herbert E. Ives, and by the President of the American Physical Society, John T. Tate. A dinner will be held on Friday, December 29th, at the Deshler Wallick Hotel.

Headquarters. The Deshler Wallick Hotel has been selected for hotel headquarters for the Physical Society at Columbus. It will also be headquarters for the American Association of Physics Teachers. Members are urged to make their reservations at once writing directly to the hotel.

The rates at the Deshler Wallick are \$3.00 to \$7.00 for single rooms with bath and \$5.00 to \$10.00 for double rooms with bath.

For general information concerning hotel accommodations in Columbus and railroad rates the members are referred to current issues of **Science**.

Railroad Rates. Members should consult with their local passenger agents before purchasing their tickets.

Membership in the A.A.A.S. The meeting of the American Association for the Advancement of Science is from December 27, 1939 to January 2, 1940. Members of the affiliated societies are given the privilege of joining the Association at this meeting without payment of the regular entrance fee.

GENERAL RULES RELATING TO PAPERS

Only those titles of papers shall be listed on the preliminary program of a meeting of the Society for which abstracts ready for publication are in the hands of the Secretary.

When two or more papers are offered by the same member, one only of these will be assigned a place on the regular program, while the others will be placed in a supplementary program. (A paper presented by two or more authors is assigned to the first named author.)

All supplementary papers will be grouped according to subject matter and will be called for at their appropriate sessions only, these sessions to be designated on the program. The presiding officer may assign a reduced time to these papers or may at his discretion call for them to be read by title only.

Except by special vote of the Society, the maximum allowance of time for the presentation of a paper shall be ten minutes. The presiding officer shall enforce this rule.

Other meetings for the current season are as follows:

- 233. February 22-24, 1940. New York, N. Y.
- 234. April, 1940. Washington, D. C.
- 235. June 28-29, 1940. State College, Pennsylvania.
- 236. June, 1940. Pacific Coast.

November 1, 1939.

W. L. SEVERINGHAUS, Secretary
Columbia University, New York, N. Y.
