The American Physical Society

230th Meeting—Chicago, Illinois—December 1 and 2, 1939

The 230th regular meeting of the American Physical Society will be held in Chicago, Illinois on Friday and Saturday, December 1 and 2, 1939 at the University of Chicago.

Headquarters. The headquarters hotel is the Hotel Windermere, 1642 East 56th Street, near the campus. Reservations should be made directly at the hotel.

Railroad Rates. Members should consult with their local passenger agents before purchasing their tickets.

Members intending to present papers at this meeting must have *the original and two carbon copies* of the typewritten titles and abstracts (**not exceeding 200 words**) ready for publication in the hands of the Secretary **not later than Saturday, October 28, 1939.**

Members submitting papers which are to be read by title should so inform the Secretary. Failure to do this has resulted in considerable inconvenience to those attending the meeting.

GENERAL RULES RELATING TO PAPERS

Only those titles of papers shall be listed on the preliminary program of a meeting of the Society for which abstracts ready for publication are in the hands of the Secretary.

When two or more papers are offered by the same member, one only of these will be assigned a place on the regular program, while the others will be placed in a supplementary program. (A paper presented by two or more authors is assigned to the first named author.)

All supplementary papers will be grouped according to subject matter and will be called for at their appropriate sessions only, these sessions to be designated on the program. The presiding officer may assign a reduced time to these papers or may in his discretion call for them to be read by title only.

Except by special vote of the Society, the maximum allowance of time for the presentation of a paper shall be ten minutes. The presiding officer shall enforce this rule.

Other meetings for the current season are as follows:

231. December, 1939. Pacific Coast.
232. December 27-29, 1939. Annual Meeting. Columbus, Ohio.
233. February 22-24, 1940. New York, N. Y.
234. Washington, D. C. April 1940.

W. L. SEVERINGHAUS, *Secretary*

October 4, 1939. Columbia University, New York, N. Y.

The American Physical Society

By action of the Council of the American Physical Society the attention of the membership is by this notice called to the appeal of Professor Y. H. Woo, President of the Chinese Physical Society, for contributions of books and periodicals in the field of physics for use by the hard pressed universities and other scientific institutions of China. An organization has been set up entitled "China's Culture Emergency Committee for the Solicitation of Books and Periodicals" with its head office in the Ministry of Education, Chungking, China. This Committee upon receipt of books and periodicals will arrange for the maximum possible use of them among the needy universities and institutes of China.

Any physics books or recent numbers of periodicals will be very gratefully received and forwarded to China if sent to: "International Exchange Service, Smithsonian Institution, Washington, D. C." and marked for "China's Culture Emergency Committee, Chungking, China".
