Dear Professor Yukawa:

Thank you very much for sending me the latest 1946 and '47 issues of your new journal, "Progress of Theoretical Physics." It looks most interesting and I am having our library order back issues and a current subscription.

I should especially appreciate receiving either the issue Volume I, number 3, or else a reprint of the article in that issue by S. Tomonaga. If there is any expense connected with this, I should be glad to reimburse you.

Sincerely yours,

*I. I. Schiff*
